

Grocery Store Floor Cleaning & Polishing Checklist

Printable checklist for grocery floor scrubbing, polishing, burnishing, strip and wax, entrances, aisles and food retail floor care.

Best for: supermarkets, grocery stores, food retail floors, VCT floors, polished floors and high-traffic aisles.

Service areas: Chilliwack, Sardis, Vedder Crossing, Garrison Crossing, Promontory, Yarrow, Greendale, Rosedale, Fairfield Island, Cultus Lake, Abbotsford, Hope and the Fraser Valley.

Daily Floor Inspection

Done	Task	Notes / Initials
☐	Inspect entrances, mats and weather-tracking zones.	
☐	Remove visible spills immediately in aisles, checkout lanes and food departments.	
☐	Inspect produce, bakery, deli, meat, seafood, frozen and dairy floor areas.	
☐	Check checkout lanes and cart traffic paths for sticky spots or debris.	
☐	Clean or spot mop high-traffic floor areas with the correct product.	
☐	Inspect washroom floors and customer-facing floor edges.	
☐	Empty garbage and clean surrounding floor where residue is present.	
☐	Document recurring sticky, dull, slippery or damaged floor areas.	

Weekly Floor Maintenance

Done	Task	Notes / Initials
☐	Machine scrub sales floor and high-traffic paths where appropriate.	
☐	Detail edges, corners and floor areas under movable fixtures where accessible.	
☐	Inspect grout lines, floor finish wear and dull aisle paths.	
☐	Clean entrance mats and review slip-risk areas.	
☐	Inspect receiving area, back room and staff room floors.	
☐	Review floor maintenance log with manager or supervisor.	

Monthly / Periodic Floor Care

Done	Task	Notes / Initials
☐	Evaluate burnishing or floor polishing needs.	

Done	Task	Notes / Initials
■	Evaluate strip and wax needs for VCT or finished floors.	
■	Inspect floor finish protection in checkout lanes and entrances.	
■	Review slip hazards, dull zones, scuffed areas and high-wear paths.	
■	Schedule professional floor scrubbing, polishing or restoration where needed.
