

Monthly Restaurant Deep Cleaning Schedule

Printable monthly schedule for restaurant floors, kitchens, washrooms, garbage areas, grout, mats, windows and maintenance planning.

Best for: monthly restaurant cleaning plans, recurring deep cleaning and manager scheduling.

Service Areas: Hope, Chilliwack, Abbotsford, Mission, Maple Ridge, Langley, Surrey, Delta, Vancouver, Burnaby, Coquitlam and surrounding British Columbia communities.

Week 1 - Floors and Grout

Done	Task	Notes / Initials
■	Machine scrub kitchen and high-traffic floor areas.	
■	Detail clean grout lines in kitchen, dining and washroom areas.	
■	Inspect floors for slippery, sticky or greasy residue.	
■	Review floor mats and replace or clean as needed.	
■	Document areas needing professional tile and grout cleaning.	

Week 2 - Kitchen and Back of House

Done	Task	Notes / Initials
■	Deep clean grease-prone floor zones near cooking equipment.	
■	Clean back exits, staff areas, storage spaces and service corridors.	
■	Inspect drains, dishwashing zones and prep areas.	
■	Clean wall splash zones and lower wall areas where residue collects.	
■	Document recurring grease or odor sources.	

Week 3 - Washrooms and Customer Areas

Done	Task	Notes / Initials
■	Deep clean washroom floors, grout, fixtures, partitions and drains.	
■	Clean entrance glass, doors, high-touch surfaces and waiting areas.	
■	Inspect upholstery, booth bases, chair legs and table bases.	
■	Clean dining room floor edges and corners.	
■	Review customer-facing cleanliness.	

Week 4 - Garbage Areas and Maintenance Review

Done	Task	Notes / Initials
■	Deep clean garbage rooms, bin zones and loading areas.	
■	Pressure wash exterior waste areas where safe and appropriate.	
■	Review manager audit sheets and recurring problems.	
■	Schedule professional deep cleaning if needed.	
■	Plan next month's cleaning priorities.
